# HOW TO READ MANGA!

Hi there! My name is **Majoko**, and this is my book - **The Big Adventures of Majoko!** It is a comic book originally created in the country of **Japan**, where comics are called **manga**.

A manga book is read from **right-to-left**, which is **backwards** from the normal books you know. This means that you will find the first page where you expect to find the last page!

It also means that each page begins in the top right corner.

**START  
HERE!**

If you have never read a manga book before, here is a helpful guide to get you started!

Don't forget that  
each comic panel also  
reads from **right-to-left!**  
Here is a single  
panel:

Now, let's look at  
reading two pages  
together!

## Chapter 9 Adventures in Magic School Part 3

We  
should  
go  
explore  
inside  
that  
school!

What  
is  
this  
place!?

....!

Grab  
my  
hand!  
Quickly!!

A RECAP OF "ADVENTURES IN MAGIC SCHOOL":

Makojo and the others were teleported into a strange world, with a school they had never seen before. As they explored the school building, they were faced with many dangers. Together, they decided to find a way out, but...!?

Okay,  
everybody!

Are you  
ready  
to find  
a way  
out of  
here!?

Thanks  
...

**Chapter 9**  
**Adventures in Magic School Part 3**

It's so  
confusing  
in here,  
I'm not  
sure  
which  
way  
leads  
out...

So...  
how do  
we get  
out of  
here...?

It's  
those  
guys  
again!

Maybe  
we should  
split up?

You're  
right.

I told you  
we are  
not going  
to split up  
again!!

Look  
!!

You  
don't  
have to  
yell at  
me...

We  
have  
to  
hide.

What  
are we  
going  
to do?  
We  
can't  
let them  
find us!!

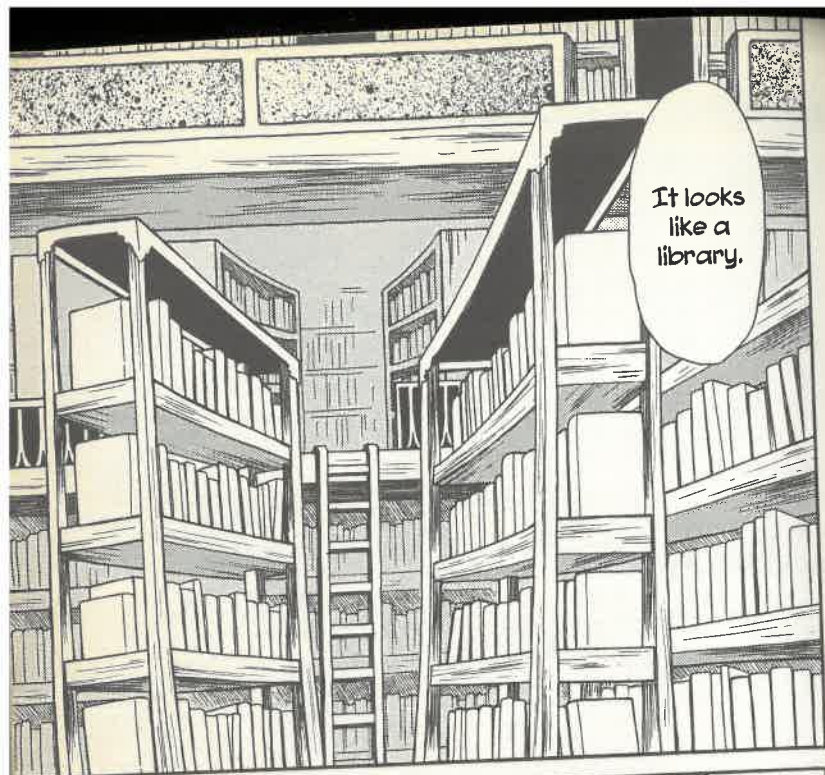

There's  
a door  
over  
here!

I think  
they're  
gone...

I  
wonder  
what  
this  
room  
is?

It looks  
like a  
library.

Even if we  
did get  
outside  
right  
now, we  
wouldn't  
know  
how to  
get back  
anyway.

It's  
pos-  
sible.

Maybe  
we will  
find some  
informa-  
tion in  
here that  
will help us  
get back  
to our  
world!

Let's  
just look  
through  
these  
books!

Do you  
want me to  
drop you  
down that  
stairwell  
again!?

No  
Fighting  
!!

That must  
mean she  
is a  
beautiful  
and  
intelligent  
witch.

Did you  
Find  
anything  
?

Hm?

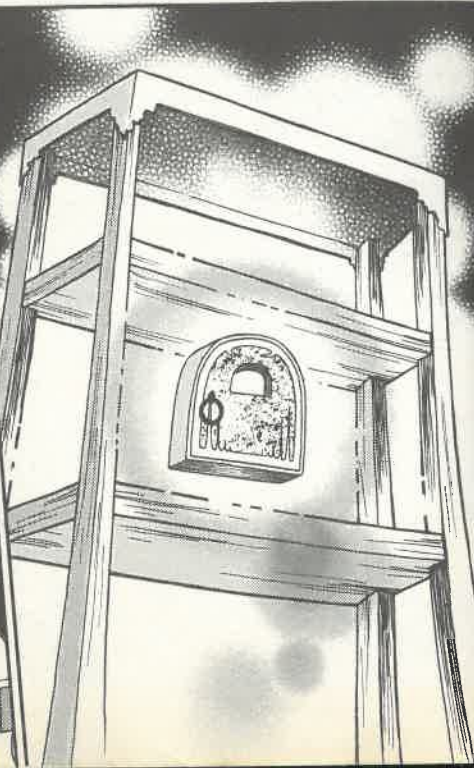

That didn't help at all!

Now that all of the books are open, they'll be easier to read...I guess?

There's a small door on that bookshelf !!

It looks important...

There's a book floating inside.

There must be a secret of some kind in it.

Hmm ...

Well? What do you see in there?

She's right. There seems to be a spell cast on it, so there's no way to know what would happen if we tried to take it out...

We probably shouldn't touch it.

No!!

Let's take a look!

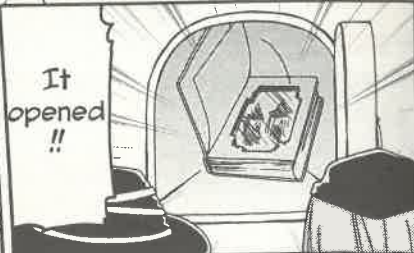

I'll use  
a spell  
to open  
the  
book  
from  
here.

What  
should  
we  
do?

It  
opened  
!!

A  
photo-  
graph  
...?

Wait!  
The  
person  
on the  
left is...

GRIN

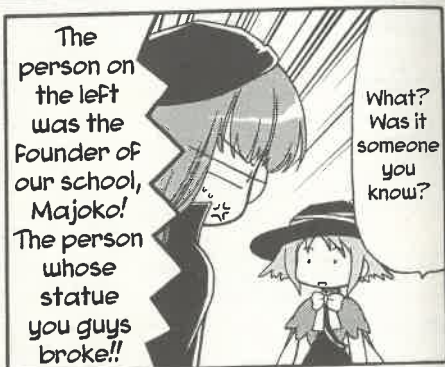

What!?! The  
bookshelves  
are Falling!!

Hm?

There's  
someone in  
the library!  
It must be  
the witches  
from the  
outer  
world!!

Oh no!  
Let's  
get  
out of  
here!!

What  
could  
this  
mean  
?

He's  
right  
...

Isn't  
this...

the  
other  
person  
in the  
photo-  
graph  
!?

But  
if they  
were in  
the  
photo-  
graph  
together,  
that  
means  
...

Since his  
statue is  
just  
outside  
this school,  
this man  
must be  
the  
Founder  
of this  
school...

I know the  
Founder of  
your school  
very well.

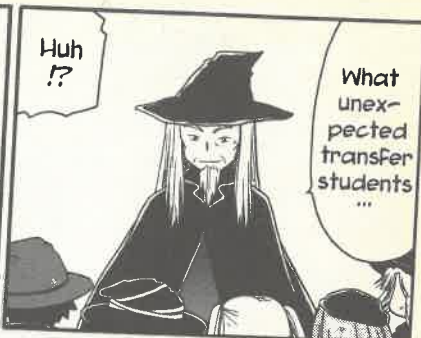

Indeed.

You have no choice. You are not students in my school.

Wait, we aren't transferring here.

Huh !?

What unexpected transfer students ...

Planning my revenge, I founded a school here too.

I had Founded the original magic school along with the Founder of your school. But he was opposed to my desire to teach dark magic. He sealed me away here, in the inner world...

There's no way I'm joining the weirdos here!!

What !?

Hmph. You can say whatever you like. You'll be joining us now.

Our teachers always tell us that we shouldn't use dark magic.

That's  
none of  
my  
concern.  
Let's go,  
everyone  
!!

Unfortun-  
ately, I  
cannot  
allow  
those  
from the  
outer  
world to  
find out  
about  
me.

The  
statue  
is  
growing  
!?

Run  
away!  
It's  
going  
to crush  
us!!

AAAH

Really  
!?

Hey!  
We can  
summon  
our  
broom-  
sticks  
here!!

How  
did we  
get  
into  
this  
mess  
!?

PING!

Oh!?

FWING

TAP

It's true. We  
were sent here  
because our  
Founder's statue  
was broken.  
I wonder if the  
same thing would  
happen if we  
broke the  
statue here...

I don't  
know if we  
can get  
back to  
our world  
on our  
broom-  
sticks,  
though...

Okay  
!!

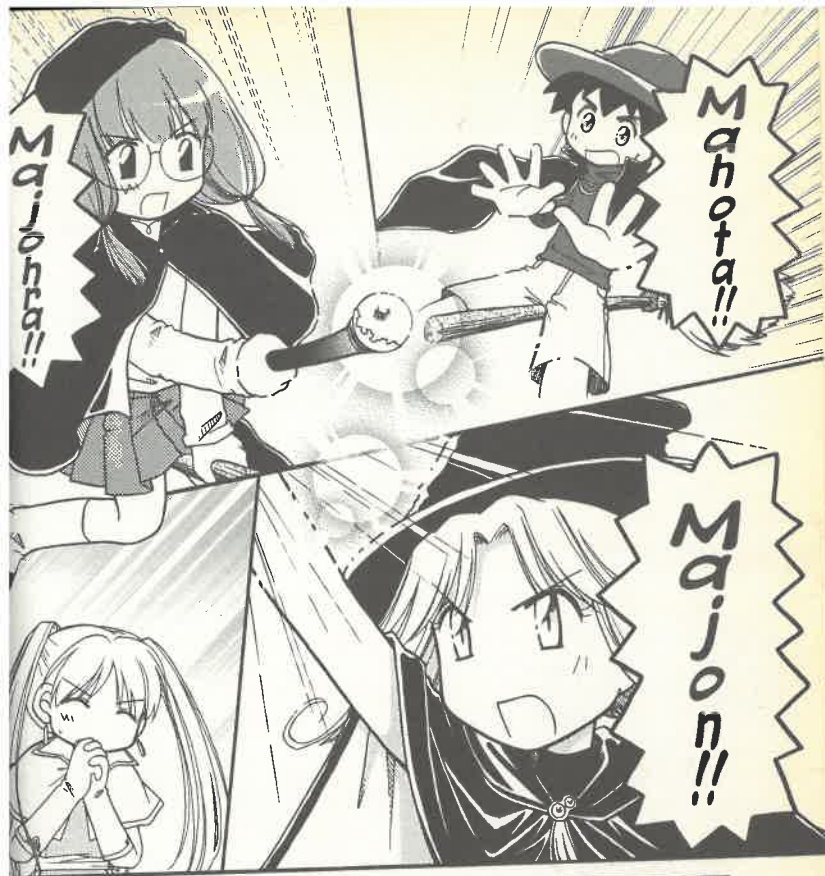

Let's all  
cast our  
spells on it  
together!

MAJOMAJOO★  
MAJOKO!!

Ready  
!?

**KIA** **KOOM**

The top panel of the comic page features large, stylized sound effects. On the left, the word "KIA" is written in a jagged, blocky font. To its right, the word "KOOM" is written in a similar but more rounded, bubbly font. Between these two words, several pieces of debris, including leaves and small rectangular blocks, are shown falling or flying through the air, suggesting a recent explosion or impact.

Are...  
are we  
back...  
?

But  
this is  
not the  
end...  
I will  
see  
them  
again.

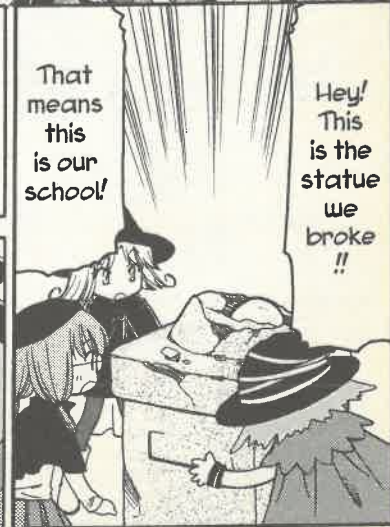

I  
suppose  
I will let  
them go  
this time  
...

We  
did  
it!!

Did  
what?

That  
means  
this  
is our  
school!

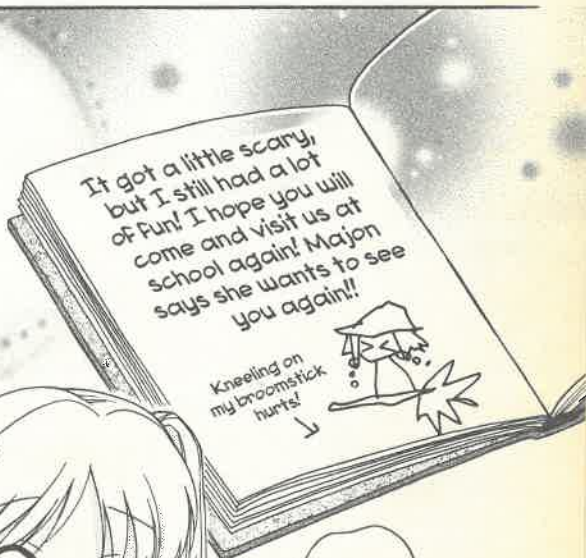

Hey!  
This  
is the  
statue  
we  
broke  
!!

There are scary places in the Land of Magic, but...

I look forward to visiting them again.

I'm glad I didn't have to kneel on a broomstick ...

**CRASH**

I broke  
Mom's  
pot!

Oops  
...

Oh  
no!

**Chapter 10**  
**The Pot of Happiness**

Majoko!  
What hap-  
pened  
!?

Nana!  
Help  
me!!

I can't  
get it  
back  
together!

SNIFF  
...  
It's  
not  
work-  
ing...

FWOOM

Okay!  
Let's go  
to the pottery  
shop in the  
Land of  
Magic  
!!

Hmm...  
we  
might  
have  
to buy  
a new  
one.

I tried  
putting  
it back  
together  
with my  
spells, but  
nothing  
worked.

That's  
a  
great  
idea!!

Huh?

Oh,  
yeah!

Wow!  
Look at  
these  
stores!!

There  
it is!

I'm sure  
the  
pottery  
shop will  
have a  
pot that  
looks just  
like my  
mom's.

There are lots of pots for lots of spells. There are cooking pots, dancing pots, and even delivery pots.

There's so many different kinds of pots... Do witches use these for their spells?

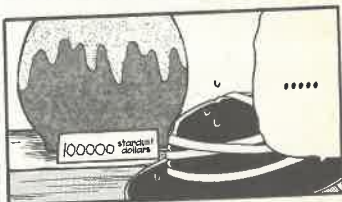

I wonder what those are like

What !?

They're too expensive

I don't have enough money to buy a pot.

.....

Why? What's wrong?

Nana...let's leave.

Hm?

I had no idea pots were so expensive.

You shouldn't go around making assumptions like that... and so what if I'm a little dirty.

No one threw me away. I'm just taking a break here.

But... are you sure you want to take home such a dirty pot?

Someone threw away an old pot! I'm so lucky!!

You got a problem with that?

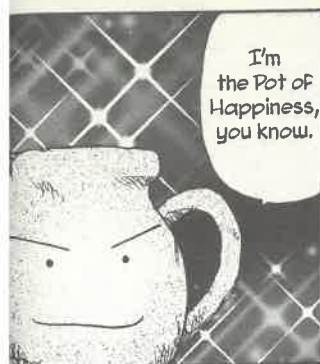

The pot is talking !?

Not me.

Was it you?

Did someone just say something?

It was me.

I'm  
the Pot of  
Happiness,  
you know.

Hey,  
don't  
walk  
away!

Let's  
go,  
Nana!

I didn't  
know  
some  
pots  
could  
talk...  
I just  
want a  
normal  
pot.

Really  
!?

Yep!  
I can  
grant  
you any  
wish.

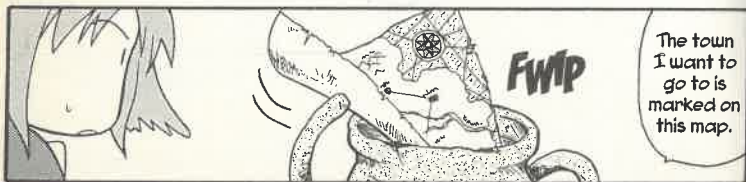

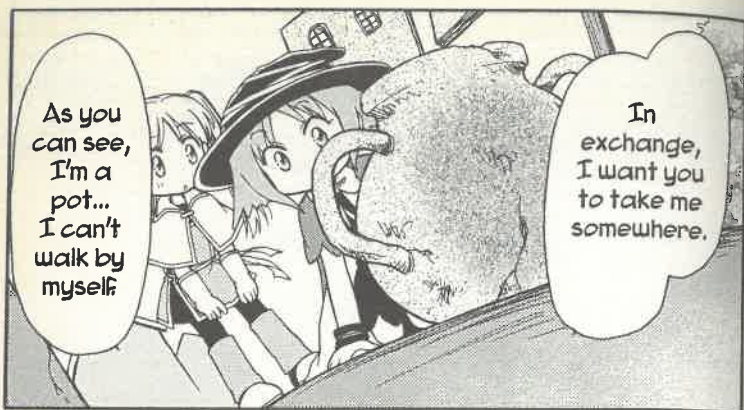

Pot  
of...  
Happiness  
...?

Sure, I  
can do  
that...  
That's  
not  
much of  
a wish.

Can  
you  
fix my  
mom's  
broken  
pot!?  
Can you  
make  
sure she  
won't  
get mad  
at me!?

Don't make me throw you off!

None of your business.

So what's in this town, anyway?

Majoko ...calm down.

You spread the word that there is a talking pot here.

Listen to me... You cast some big spells.

That's it! That's the town!

For what?

How?

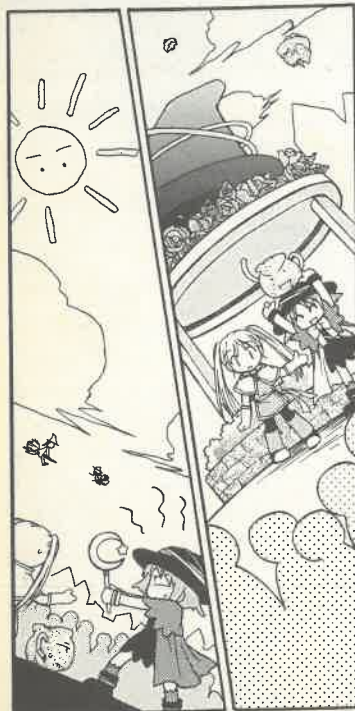

This square is the perfect location to gather some people!

Did you  
hear  
what  
they  
said?  
Are you  
really a  
cursed  
pot?

Don't touch that filthy thing!

This is the Pot of Happiness.

But you have no right to call him a cursed pot!!

This pot may be annoying, abrasive, dirty, and useless...

Hold it right there, lady!!

I...

I'm not really the Pot of Happiness.

Huh?

Just stick around, and we'll show you that he's really the Pot of Happiness !!

.....  
I can't  
.....

WAVE!

Go on! Do something special to show them all!

What  
!?

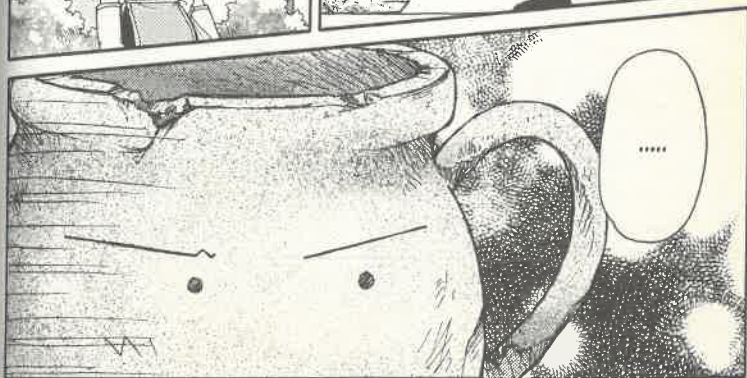

What  
are you  
looking  
for?

Tell  
us,  
Mr.  
Pot...

Yeah,  
sort  
of...  
Sorry  
about  
that.

What  
do you  
mean  
!?  
Did you  
lie to  
us!?

But...  
a young girl  
found me. She  
picked  
me up  
and  
cared  
for me.

Once I  
got too  
old, I was  
thrown  
out like  
common  
trash.

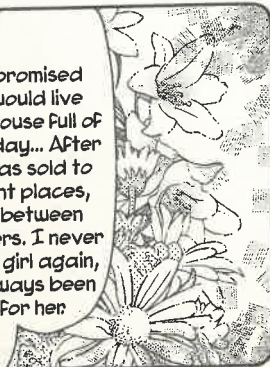

As you  
know, we  
pots are  
tools for  
witches  
and their  
spells.

She loved  
flowers, and  
always wore a  
flower brooch on  
the front of her  
cloak. When she  
and I would  
perform, she  
would always  
make flowers  
appear in  
me.

She was just  
a young witch.  
She lived with  
a traveling  
entertainment  
troupe, and  
she wasn't  
very good at  
her spells  
yet.

She always promised  
me that we would live  
together in a house full of  
flowers some day... After  
that day, I was sold to  
many different places,  
and passed between  
different owners. I never  
saw that little girl again,  
but I have always been  
searching for her.

One day, the  
entertainment  
troupe broke up.  
I guess business  
wasn't good  
enough. The little  
girl was taken  
away, to  
be cared for by  
a nice family.

Perhaps  
I will  
never  
find her  
...

**SNIFF...**

We're  
going to  
the next  
town!

I  
won't  
let  
you!

How  
can  
you say  
that!?  
You're  
going  
to give  
up after  
every-  
thing  
you've  
put us  
through  
!?

oko  
!

I'm not  
done  
yet!!

MAJOKO!!  
MAJOKO!!

This  
time, I'll  
cast the  
Flower  
spell For  
you!

You're  
not  
very  
good  
at  
this...

I did  
it!

Majoko  
!!

Oh  
my...

**STARE**

What  
do you  
think  
of me  
now?

That's  
pretty  
good,  
I  
guess.

urry up,  
randama!

Look,  
Grandma!  
These  
Flowers  
are really  
nice!

Wow!  
So  
pretty!

Hey!!  
We  
have  
to go  
after  
them!!

Thanks  
!

That  
seems so  
Familiar  
somehow  
...

Oh  
my...

No,  
the old  
woman  
is.

Was that  
girl the  
one you  
were  
looking  
for?

What!?

Just how  
long have  
you been  
searching!?

I'm  
coming.

Hurry up,  
Grandma!

Now!

Huh?

Hey!!  
We  
have  
to go  
after  
them!!

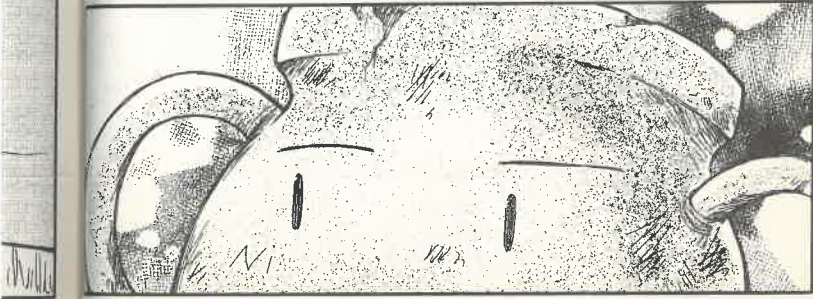

Let's  
go.

I  
knew  
it!

I guess  
I  
wouldn't  
fit in,  
would  
I?

It's so  
beautiful  
...

Her dream  
to live in a  
house full  
of flowers  
came true!

Don't  
be silly!  
You're  
still you.

But...  
I'm so  
old and  
dirty  
now...

I can't  
believe  
you  
found  
your  
way to  
me!  
  
Thank  
you so  
much...  
I promise  
we'll be  
together  
forever!

But  
there is  
only one  
you.

There  
may be  
a million  
pots out  
there...

Welcome  
home!

I'm sure  
she will  
take  
good  
care of  
him.

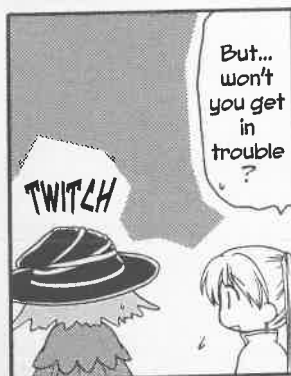

Me  
too.

I'm so  
happy  
for Mr.  
Pot.

I've decided  
to tell my  
mom honestly  
about the  
broken pot.  
I'm sure she  
can fix it with  
her magic.

But...  
won't  
you get  
in  
trouble  
?

Majoko  
...

I would  
feel  
bad if  
we just  
threw  
that pot  
out.

I wonder if she's really going to be okay...

BUMP

I-I-I'll be fine. If I'm honest about it, I'm sure she'll forgive me.

Well, the pot is fixed...  
but it turned out to be a Punishment Pot!  
\*cry\*  
Help!

Oh, Majoko...

But I apologized

SPANK  
SPANK

Time for a spanking!

**Chapter 1 1**  
**Handsome Man Appears!!**

want  
to see  
that  
show  
too!

Do  
you  
want  
to go  
meet  
him?

ou  
u  
he  
?

Until  
next  
time!!

Yeah!  
He reminds  
me of  
Handsome  
Man, in the  
Land of  
Magic.

He's  
great,  
isn't  
he?

Yep! The  
hero of the  
Land of  
Magic! He's  
strong and  
handsome,  
and he  
always  
shows up to  
save girls  
when they  
are in  
danger!

Handsome  
Man?

What!?!  
But  
I'll die!

Do you want  
to try falling  
off of the  
broomstick?

The  
question  
is, how  
do we  
find  
danger?

That's  
not  
really  
danger,  
though.

Hmm...  
Then maybe  
we should  
get my mom  
to be mad  
at me?

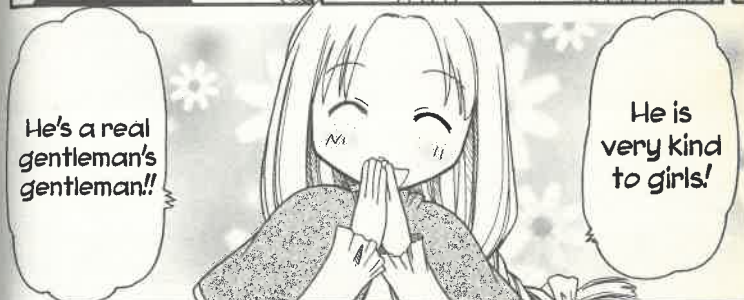

Huh?

Majoko!  
Look out!!

**SLAM**

Gagh!!

Those  
voices  
are  
coming  
from  
that  
mansion  
!

Yes,  
right  
away  
!!

Come  
quickly,  
Handsome  
Man!

Who's  
that  
?

She  
seems  
like a  
spoiled  
brat...

PEEK

Yes,  
Miss!  
Right  
away  
!!

I would  
like to  
drink  
some tea,  
Handsome  
Man.

Bring  
me some  
right  
away!

This  
tea is  
luke-  
warm  
!!

hat...  
hat's  
dosome-  
Man  
!?

only  
For  
E...

Indeed  
I am.  
Who are  
you?

Are you...  
Handsome  
Man?

It would  
be my  
pleasure  
to obey  
your  
every  
whim!

Don't  
forget  
to clean  
the  
yard,  
too!

Yeah  
...

He's  
acting like  
that girl's  
servant  
...

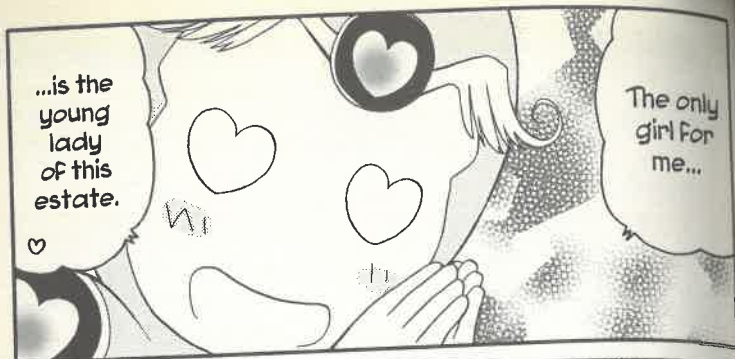

What  
!?

Why?

I'm  
Majoko.  
We've  
been  
searching  
for you!

Girls  
?

We heard  
that you  
haven't  
been  
showing  
up to save  
girls  
anymore.

I couldn't  
take it  
anymore.

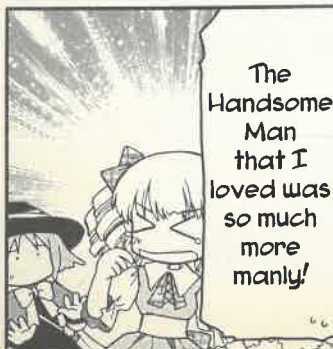

He  
would  
never  
focus  
on just  
me...

But  
whenever  
a girl would  
cry for  
help, he  
would go  
rushing  
off to  
save her.

I used  
to adore  
Hand-  
some  
Man.

So I went  
to the magic  
tools shop  
and bought  
myself a  
special pistol.  
A "Steal their  
Heart" pistol.  
Whoever you  
shot with it  
would care  
about you  
and no one  
else. It's quite  
expensive, you  
know.

The  
Handsome  
Man  
that I  
loved was  
so much  
more  
manly!

But he  
became  
that soft  
weirdo  
you  
saw out  
there.

After  
that, he  
stopped  
leaving me  
to save  
other girls.

What if we took the pistol back to the store where you bought it?

Majoko!

So it's your own fault.

I don't know.

Is there a way to turn him back to normal?

I know it is... I've been regretting it ever since.

Ask the witch who lives out back to cast the spell you need.

These Spade Arrows, if shot from a high place, should undo the effects of the pistol. But I haven't had the spell cast on them yet.

You want to undo the effects?

No, we're not saying that at all...

Are you saying there's something wrong with my products?

All  
done!

The spell  
to turn  
them  
back  
to what  
they  
were  
before,  
right? No  
problem.

Are  
you  
sure  
you  
can do  
it?

You  
told  
him  
still,  
okay?

With this many  
arrows, I'm  
sure to get it  
right at least  
once.

MAJOMAJOO...

MAJOKO!!

MAJOMAJOO★  
MAJOKO!!

Nana, I'll shoot the arrows, so can you hold the broomstick steady?

Oh, uh... sure.

The owner of the shop said we should shoot these arrows from a high place, so we should be fine from up here!

Some of those don't even look like arrows anymore...

All done!

**FWING**

I got it!

You hold him still, okay?

**SHUCK**

**THOK!!**

Watch where you shoot those things!

Here I go !!!

The... the tree turned into a little sprout!

Now all I have to do is hit him with one!

It looks like your spells are working.

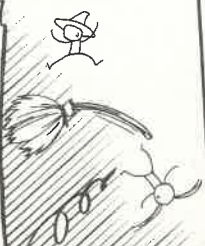

**THOO**

**FWA**

**ASH**

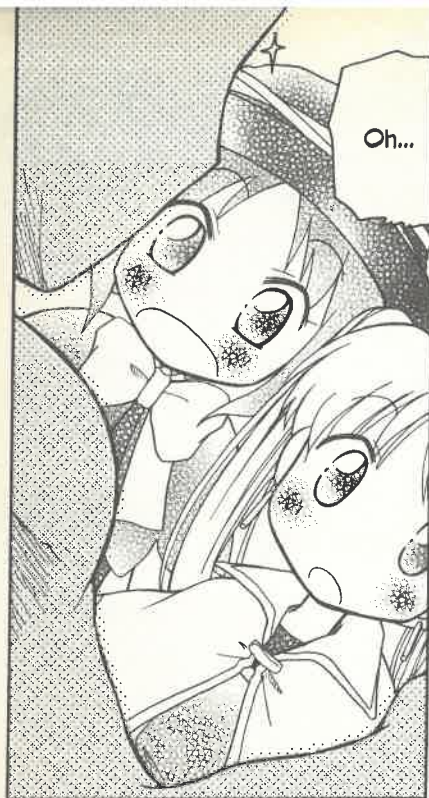

**AAAAAH**

**Wo**

**ASH**

Oh...

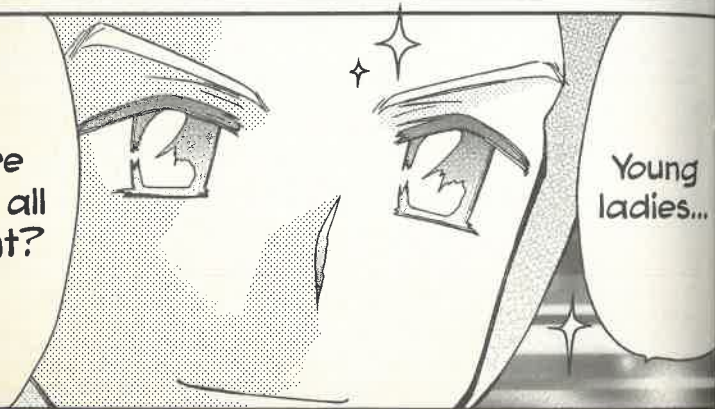

FWISH

FWISH

Are  
you all  
right?

Young  
ladies...

All that  
effort  
for...

He's  
so  
lame  
!!

not  
me  
elf for  
F this,  
utiful

## Chapter 12

### The Mirror Fairy Ran Away!?

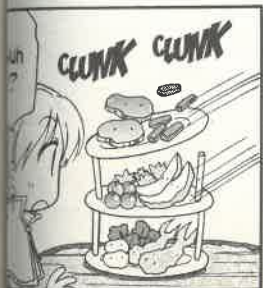

Thank  
you for  
inviting  
me over  
for lunch  
today.

We  
have  
lots of  
Food  
pre-  
pared!

Please  
eat as  
much as  
you like.

It's a  
magic  
mirror  
!?

My friend  
owns the  
mirror  
store,  
and she  
gave it  
to me for  
free.

Oh, I  
almost  
forgot.  
It's a  
magic  
mirror.

Mind your  
manners!  
Finish  
your lunch  
first!!

I want to  
look at it!  
Let me look  
at it!!

They must  
have the  
most lively  
meals  
together

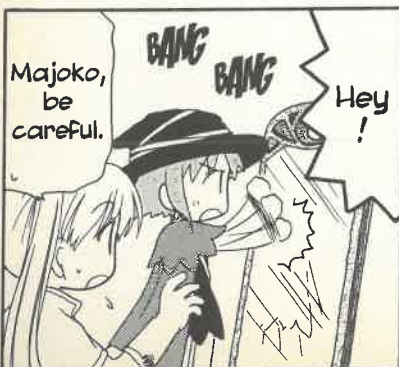

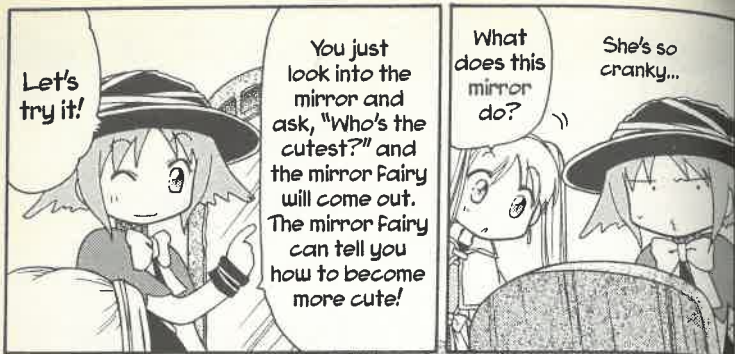

I want  
to see  
the  
mirror!

RRRR!  
RRRR!

What  
horrible  
table  
manners  
!

CHOMP!!!

**FWOOSH**

**Eek!!**

**Hurry up!**

.....

This  
is the  
Land of  
Mirrors  
!?

It's  
blinding  
me...!

Oh, it  
really is  
a round  
mountain  
of mirrors!

It's like a  
maze of  
mirrors in  
here!

That  
scared  
me...  
it was  
just me  
reflected  
in this  
mirror

POP

Eek  
!!

Gah  
!!

WHAM!!

We'll be  
fine.

Just  
trust me!  
Let's go  
this way!

Aren't  
you  
afraid  
we'll  
get  
lost?

Ow  
ow  
ow...

Majoko!  
Are you  
okay!?

No! No,  
no...  
Not at  
all!

You're  
right!!

We're  
not!  
Look, we  
haven't  
passed  
that  
person  
before.

!

I'm  
starting  
to feel  
like we're  
going in  
circles...

Hey,  
hold  
on a  
minute  
!

I'm sorry  
to bother  
you, but  
we need  
some help.

Yes...?

Excuse  
me!

We  
should  
ask if he  
knows  
any-  
thing.

Gah  
!!

Do you  
know  
anything  
about  
him?

We were  
told  
that the  
mirror  
Fairy  
lives  
here...

u're the  
ne who  
o mirror  
irry  
ations,  
Mirror

ey!

MAJIMAJO  
★

Oh,  
oops  
!!

So you  
are the  
mirror  
Fairy!!

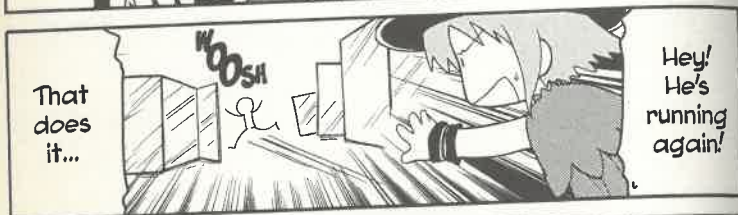

That's  
right!!

So you're the  
only one who  
can do mirror  
Fairy  
divinations,  
Mr. Mirror  
Fairy?

SILENCE

...

That  
does  
it...

WOOSH

Hey!  
He's  
running  
again!

FWING

Net,

CLACK

FWING

just  
ve

So...  
ou work  
for the  
mirror  
store?

He  
reflected  
my  
magic!?

# FLOP

.....

Be  
quiet!!

??

Why  
don't  
you just  
give  
up..?

I quit  
my  
job.

Please,  
just  
leave  
me  
alone!

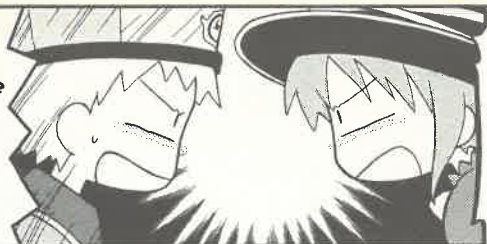

We paid  
for a  
mirror  
and we're  
mad  
because  
we can't  
even use  
it!

I  
thought  
it was a  
gift...

We're  
cus-  
tomers  
!!

So...  
you work  
for the  
mirror  
store?

You have  
no idea  
how I  
Feel!

How can  
you be so  
irrespon-  
sible? You  
can't just  
quit your  
job!

Thanks  
to them,  
I would  
have  
Fresh  
wounds  
almost  
daily.

Some  
of them  
even  
broke  
their  
mirrors.

Listen...  
whenever a girl  
looked into one  
of my mirrors,  
I always told  
them the truth.  
I would use  
my mirror Fairy  
divinations to  
tell them how to  
be cuter. They'd  
get so upset and  
cry because I  
told them that  
they weren't the  
cutest girl in the  
world.

That's  
the girl  
from  
before!

Telling  
girls  
that  
they're  
cute  
again,  
are  
you?

But  
then  
...

After a  
while, I got  
tired of it all  
and started  
telling every  
girl that they  
were the  
cutest girl in  
the world.

If you're not cute, they're supposed to let you know. It's up to you to accept the truth and do something positive about it. How can some people be so immature?

They just don't get it, do they?

What do they think magic mirrors are for?

It sounds like you have a very hard job...

.....

Isn't it!?

That's terrible that they would get mad at you and break the mirror just because you told them the truth...

Besides, if you just lay around all day, girls will like you even less.

Still, you can't just quit your job. There are people out there who are looking forward to seeing you!

Yes, yes I do!

So you understand me!?

SHARKLE

I'm tired of getting yelled at.

But I don't want any more girls to be mad at me...

If you put these in your ears, you won't have to listen to them yell at you.

For what?

That's when you should use these! Ear plugs!!

I can't stand to see a girl cry because of me.

Hmm ...  
But what about when they start crying?

But... what should I do when they break the mirror?

I... I guess that could work!

Great idea !!

Um... maybe you wouldn't see them cry if you wore sunglasses?

ll right!!  
ow I'm  
even  
red up!

ror,  
ror...

Oh!

What?

What?

What?

What?

That's  
a  
good  
idea!!

Yeah  
!

That  
way,  
a few  
mirror  
shards  
won't  
be able  
to hurt  
you!!

You  
should  
wear  
a full  
suit of  
armor!

Look!  
he's more  
enthu-  
siastic  
about  
doing his  
job now!

I brought  
your  
girlfriend  
back!

What?  
You're  
crazy  
for me  
now?

What  
is  
going  
on!?  
Who  
is this  
crazy  
looking  
guy?

This is  
great!  
I feel  
ready to  
go back  
to work!!

ALL  
SET!!

I'd like to give you some advice, but I don't think my mirror Fairy divinations could help someone like you.

You know what I think? I think you need to wait at least another 100 years before you look into this mirror again.

I... I'm so glad you're doing your job again.

Your hair is splayed out to the sides, and leaves a lot to be desired. You don't have any girlish charms at all.

You look like you have a short temper, and you have no grace.

Majoko, stop! Calm down!!

You aren't being honest, you're just being mean!!

I think I am going to break up with him after all... He can be really mean sometimes.

## Chapter 13 A Big Mistake at the Snowman Festival!?

Why is there snow in my room!?

I'd love to, but I'd get into so much trouble for having a snowball fight in my room.

Let's have a snowball Fight!

There's snow coming out of your diary!

We had some snow fall in the Land of Magic, so I thought I'd share it with you.

There'll be tons of snow there to play in!

I'm pretty sure they're holding the Snowman Festival right now.

All the snow is gone... **CLAP**

.....

Really? Your mom sounds really strict.

The Land of Snowmen?

Do you want to go play in the Land of Snowmen instead?

It's  
id of  
old...

Wow,

STEP

Snowmen  
are  
walking  
around!

Since the  
Festival is  
underway,  
there's lots  
of little shops  
out on the  
streets.

Wooooo

We were so cold, we thought it would help if we moved our bodies a bit.

I'm sorry. We didn't know.

Snow-ball fights are prohibited in this area.

Fwning

You can do that?

Oh, I know! I'll cast a spell that will warm us up.

I'm... so... cold...

Ooo!

PON!

MAJOKOO!!

I summon a warm tFire!

Of course!!

Don't  
you  
dare  
!!

Don't  
worry!  
I can fix  
you right  
up with my  
spells!

I'm so  
sorry!  
I didn't  
mean to  
melt you!

My  
head will  
never roll  
properly  
like this!

Head  
rolling  
?

I was  
supposed to  
participate  
in a head  
rolling race  
soon...

I wonder  
if this is  
really  
going to  
help...?

**CRUNCH**  
**CRUNCH**  
**CRUNCH**

I think the  
snowman  
is right...

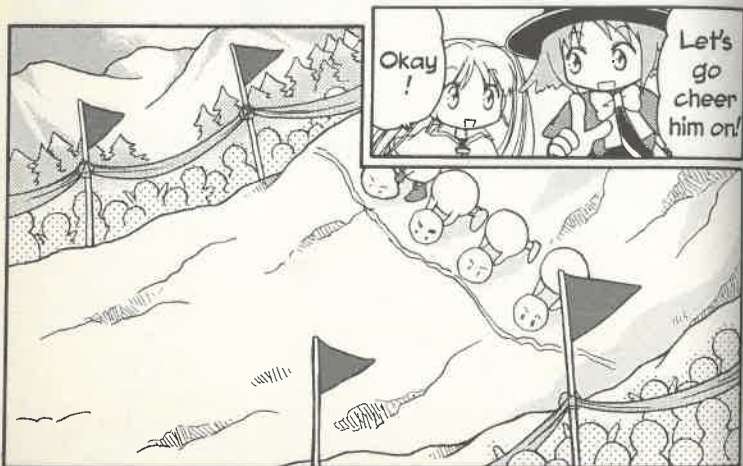

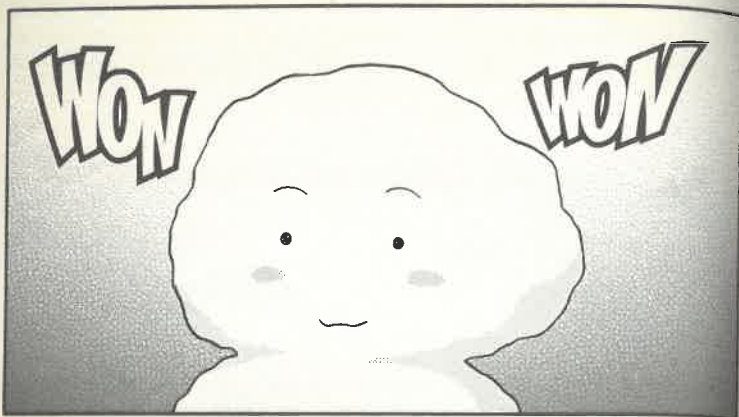

I have  
a feeling  
that you  
would just  
melt me  
more.

Why  
not!?

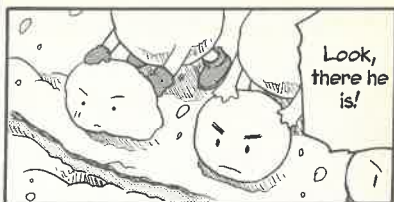

**CRUNCH!!**

Go!!

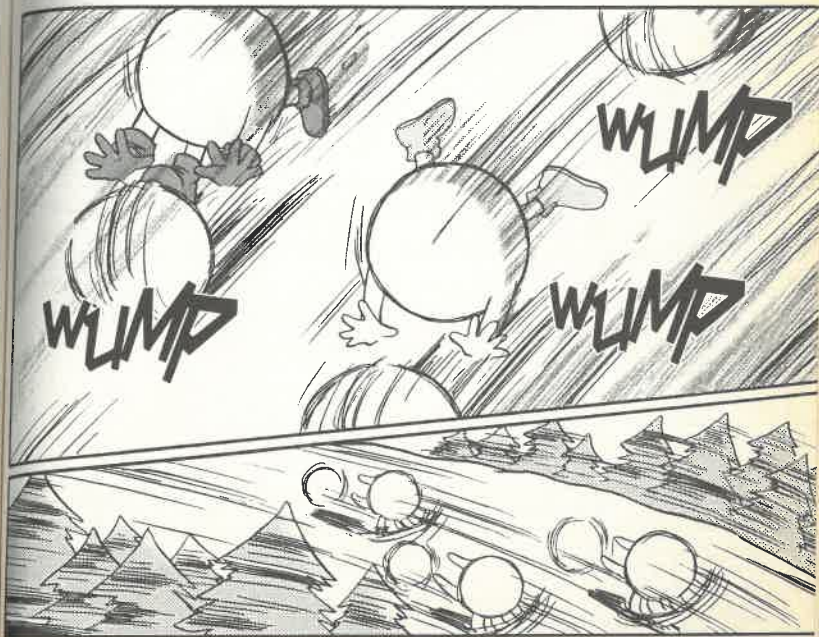

Look,  
there he  
is!

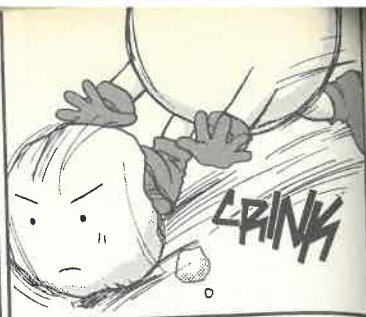

Ready  
...

I hope  
he'll be  
okay...

This  
could  
be  
bad...

Which way did you head go?

We're so sorry!  
We should have done a better job of fixing your head!!

Mr. Snowman!!

Kay!  
Let's get on!!

Oh, no!  
We can't understand what he's trying to say because he doesn't have a head anymore!!

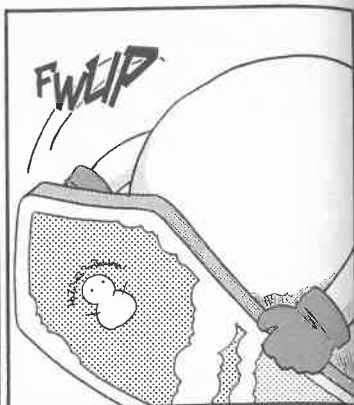

What?

Hm? He wants us to wait...

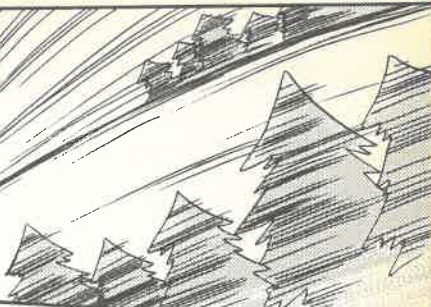

We'll go find it for you!

That way?

FLICK

**BOOM!!**

Wow!  
I'm sure  
we'll  
catch  
up to his  
head  
now!

It's  
still  
rolling  
!

There  
it is!

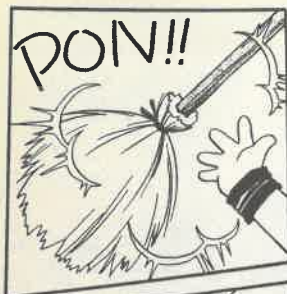

WOOOAH!!

**SHOOM**

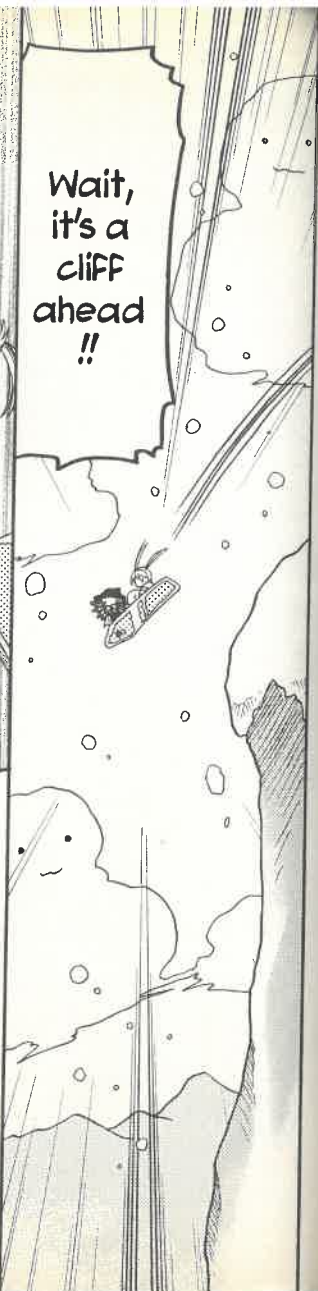

Here  
comes  
a  
jump!!

Hm?

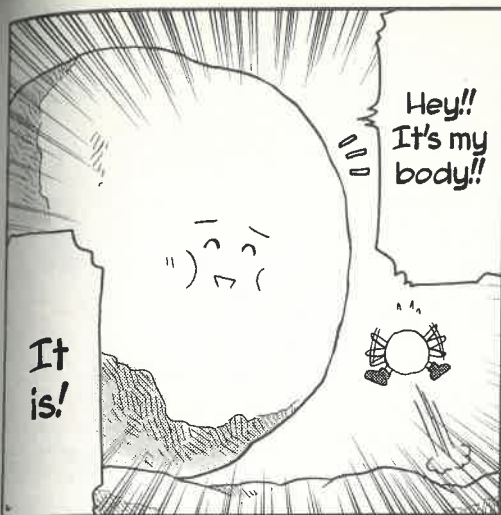

We're Falling !!

Hey!!  
It's my  
body!!

It  
is!

Wait...  
could  
this  
be...

We'll  
have to  
resize  
your  
head.

There's  
no way  
we can  
get you  
back  
onto  
your  
body  
now...

I  
kept rolling  
along until  
I gathered  
up so much  
snow, that I  
became this  
big round  
head...

I want to repay you somehow! Come with me to my house!

Congratulations!

Thanks, guys!

I've never won a contest like this before!!

Yeah, she won't recognize you!

Once she gets over the initial shock, that is...

We're  
very  
grateful,  
but...

I  
know...  
I'll use  
my  
magic  
to  
warm

## Chapter 14 The Mischievous Genie of the Lantern

Wow  
!!

I haven't  
been in the  
storage  
room in a  
long time!

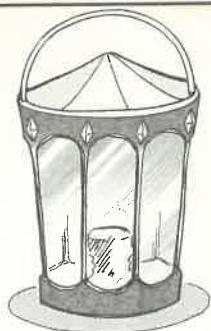

## Chapter 14

## The Mischievous Genie of the Lantern

Heehee  
...  
I  
brought  
it with  
me.

SH

Hello,  
Genie  
of the  
Lantern  
...?

FLICK

CLANK

CLANK

Did you  
summon  
me,  
Master  
?

Booom

I have no  
choice but  
to grant  
your  
wishes,  
Master.

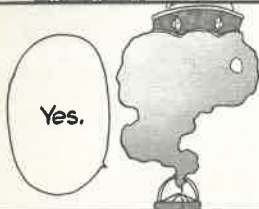

Master  
?

Really?  
So I'm  
your  
master  
now?

The First  
person to  
summon  
me is my  
master.

Yes.

Wishes?  
Mine?  
You'll grant  
them?

No  
way  
!!

You can  
wish for  
anything,

and you  
can have  
as many  
wishes  
as you'd  
like.

ish

That's  
amazing  
!!

So, I  
brought  
the lantern  
with me so  
that you all  
could get  
your wishes  
granted!

Go ahead,  
you get as  
many wishes  
as you  
want!

Hmm...  
I don't  
know.  
There are  
so many  
things that  
I want,  
I'm not  
sure what  
to wish for  
first.

What  
are you  
going  
to wish  
for?

Not  
yet.

Did you  
already  
make a  
wish,  
Majoko  
?

I wish  
for lots of  
toys!

I  
should  
have  
known  
...

I wish  
for a  
hand-  
some  
prince  
to hug  
me!!

WIGGLE

I shall  
grant  
your  
wishes.

Yes

.....?

What are  
you going  
to wish for,  
Majohna?

What  
did  
you  
say?

You two  
made such  
immature  
wishes.  
What a  
waste.

How  
strange  
...

Those...  
don't look  
like the  
things  
they  
wished  
for..

All three  
of you  
don't  
know  
how to  
make  
a good  
wish.

Isn't that  
the story  
you were  
reading  
the other  
day?

That's  
not much  
different  
from my  
wish!

I'm going to wish  
to become a  
princess who lives  
in a castle next to  
a lake. I will get  
into some kind of  
trouble, and a  
handsome prince  
will to  
save me!

How dare you !?

For instance, you could wish for better magic skills, Majoko. At least that would serve some good.

Can't you think of any decent wishes?

Oh, yeah!?

Liar! I know you're jealous of my lantern!

I'm not interested anyway.

I'm not going to let my genie grant any of your wishes, Majon!

If your wish was that you'd be defeated, I'd be okay with that!

I'm his master, so it won't work unless I say it's okay!

I wish to defeat Majoko!

Fine! I'll tell you what my wish is!

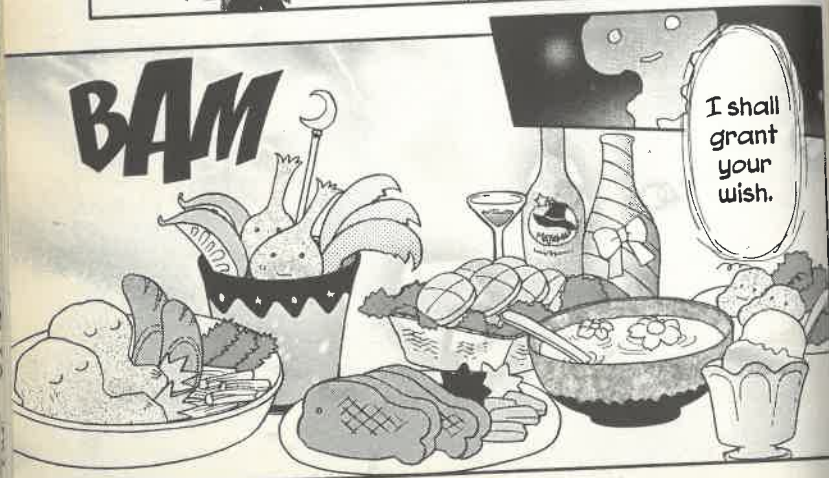

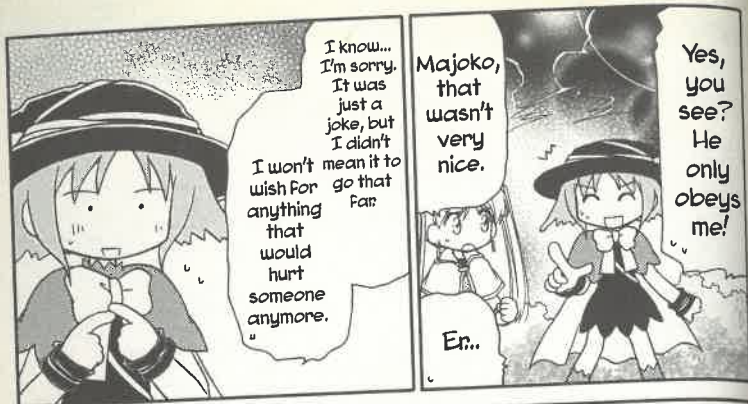

Yes,  
you see?  
He  
only  
obeys  
me!

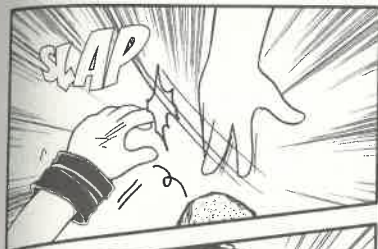

I shall  
grant  
your  
wish.

ad, I  
for a  
Feast  
of us  
joy!

Take a  
good look  
at this!  
It's just a  
rock!!

He's  
a  
bad  
guy  
!!

That's it!  
This genie  
is just  
showing us  
illusions!  
He even  
hit me!

Listen  
to me!  
You can't  
eat any  
of that  
!!

?  
What are  
you talking  
about?  
Everything  
looks so  
delicious.

It seems  
like the  
person  
making the  
wish is the  
only one  
who will  
see it come  
true.

This  
whole  
thing has  
been  
rather  
strange  
to begin  
with...

Yeah, guys.  
He's doing his best.  
Let's not be mean to him...

You understand, don't you, Master?

Huh...?  
?

No... no.  
I've been doing my best...

I think Majoko's mother might be angry if we did...

He's a little suspicious. Maybe we should break his lantern?

Yes, indeed ...

En...

I thought you were supposed to be able to grant any wish?

!?

SLIP

Silence !

You all just want this lantern for yourselves, don't you!?

Wait!  
Majoko  
!!

**DASH!**

Your  
eyes look  
strange...  
are you  
all right?

Majoko  
!?

I won't  
let you  
have it...  
it's mine!

Let's  
go  
after  
her!

That's  
not it  
at all!

I guess  
she just  
really  
likes that  
lantern  
...

What  
are we  
going  
to do?  
Majoko  
is  
acting  
so  
strange  
!

How  
does she  
always  
get into  
so much

Where

It seems

You

e were  
tually  
ved by  
ajoko's  
otness  
s time!

I tried to  
tell you...  
this is the  
level of  
Majoko's  
spells.

What  
was  
that  
spell!?

# TADA

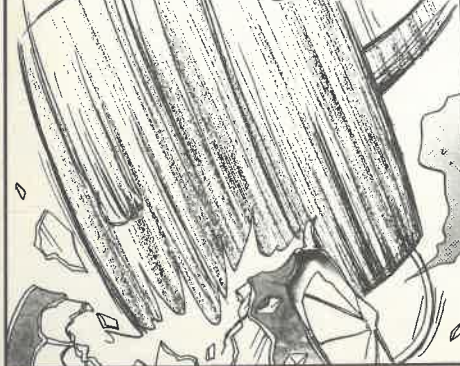

We  
should  
destroy  
him now!

How  
true.

I can't  
believe  
it, but  
we were  
actually  
saved by  
Majoko's  
ineptness  
this time!

# CRUSH

MAHOMAHOO★  
MAHOTAO!!

Some genies can be evil spirits who possess people or use illusions!

Even though you were being controlled by the genie for most of it, you still did cause a lot of people a lot of trouble...

PHEW ...

I suppose it was my fault for not disposing of that lantern properly right away.

I hope you're ready to pay the consequences.

The genie was pretty scary, but my mom is even scarier!

RAAARR

Majoko always gets into so much trouble...

**FWOOM**

Majoko  
...

## Chapter 15 The Abandoned Toys

**SNIFF  
SNIFF**

Hm?

Did you  
call me,  
Nana?

**WAAAAH!  
Majoko!!**

What's  
wrong,  
Nana  
!?

# Chapter 15

## The Abandoned Toys

But...  
I can't  
forgive  
her.

She  
apolo-  
gized,  
saying  
that she  
acci-  
dentally  
threw it  
out while  
she was  
clean-  
ing...

Yeah  
...

What!?!  
Your  
mom  
threw  
your  
doll  
away!?

I'm so  
mad  
at my  
mom...

I love  
that  
doll so  
much.

Sure,  
okay  
...

Please,  
Majoko!

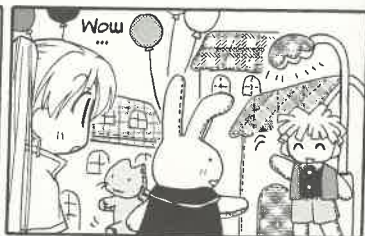

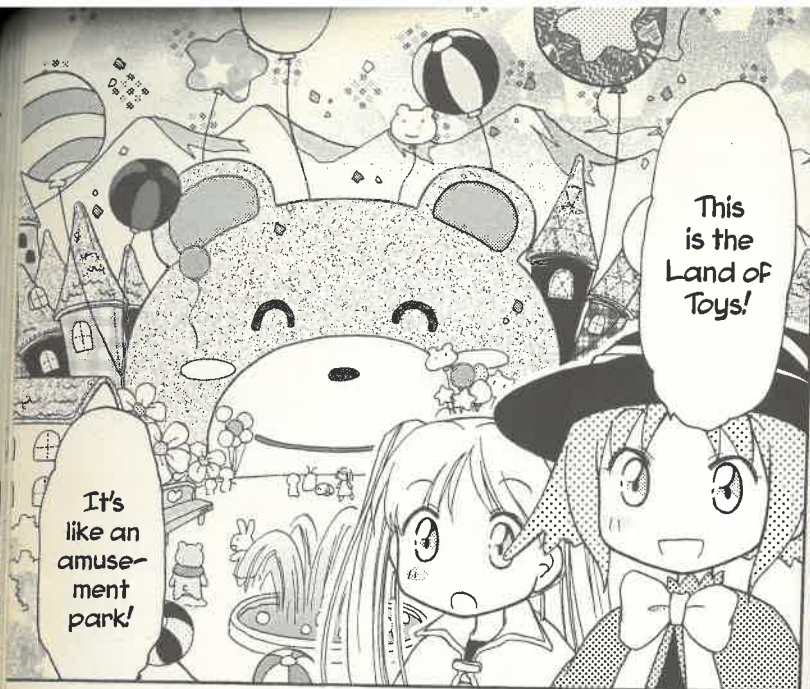

Take me  
to the  
Land of  
Magic!!  
I don't  
want to  
be here  
right  
now!

It's my  
mom!

Nana?  
Are you  
still mad  
at me?

NANA  
KNOCK  
KNOCK

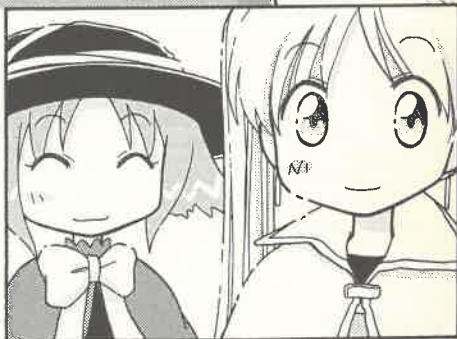

This is  
the Land  
of Toys!

Welcome  
!

Okay  
!

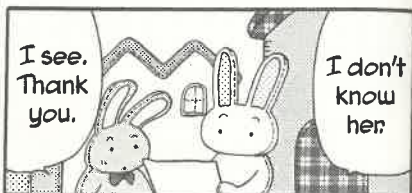

Now,  
let's ask  
around  
about  
your  
doll!

Yeah! All  
the toys  
here can  
speak,  
just like  
us.

Everyone  
looks like  
they're  
having  
fun.

It's  
kind of  
shady  
down  
here...

Let's  
ask  
about  
Katie  
in that  
coffee  
shop.

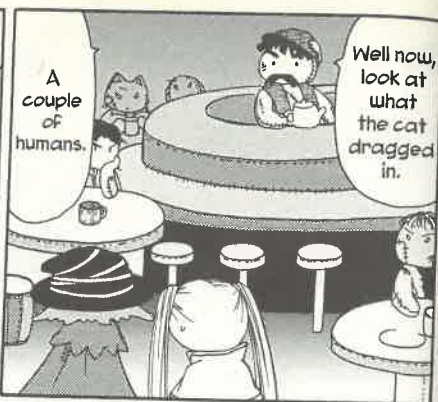

....?

**DASH!**

I have  
a bad  
feeling  
about  
this.

The toys who live in this alleyway were thrown away by heartless humans.

This  
is no  
place  
for the  
likes of  
you.

Once  
you're  
finished  
that milk,  
you should  
head back  
towards  
main  
street.

Okay!  
I'll go  
ask  
those  
toys  
over  
there.

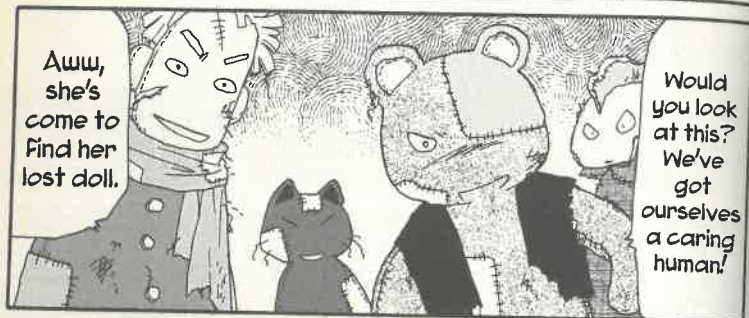

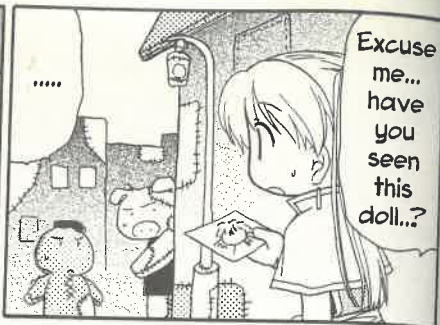

I  
want  
to  
look  
for  
her  
here.

What  
should  
we do,  
Nana?

If this is  
where toys  
that were  
thrown  
away end  
up, Katie  
might be  
around here  
somewhere.

Then  
they'd  
know  
how we  
feel.

What  
!?

I think  
we  
should  
take  
these  
no-good  
humans  
and  
make  
toys out  
of them!

What do  
you guys  
want?  
We're in  
a hurry,  
so get  
out of  
our way!

Let  
me  
think  
...

What  
do you  
wanna  
do,  
Boss?

Nana  
didn't  
throw  
away  
her  
doll!!

Hold  
on a  
second  
!

Enough  
talk!!

**FLUFF FLUFF**

We'll  
stuff  
them full  
of stuff-  
ing!

Stop!  
Hey!  
Stop  
it!!

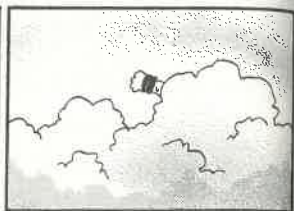

FOMP FOMP

Prepare  
to be  
stuffed,  
humans  
!!

If you don't  
quit it, I'm  
going to turn  
you all into  
rags and  
throw you  
out with the  
trash!

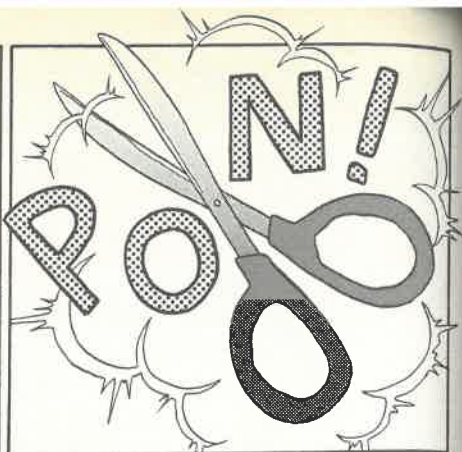

Now  
I'm  
mad  
...!

Rust  
!!

"FLICK"

POON!

Great!  
Now  
cut this  
thread!

Let's  
use this  
needle  
to sew  
up the  
humans!

Oh no!  
Rusty  
scissors  
can't  
cut the  
thread!

CRINK

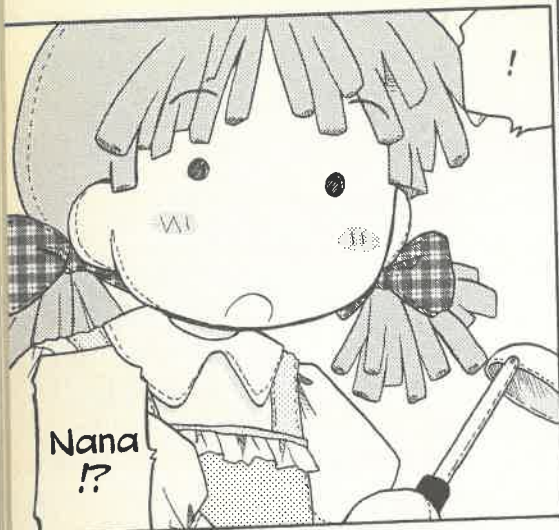

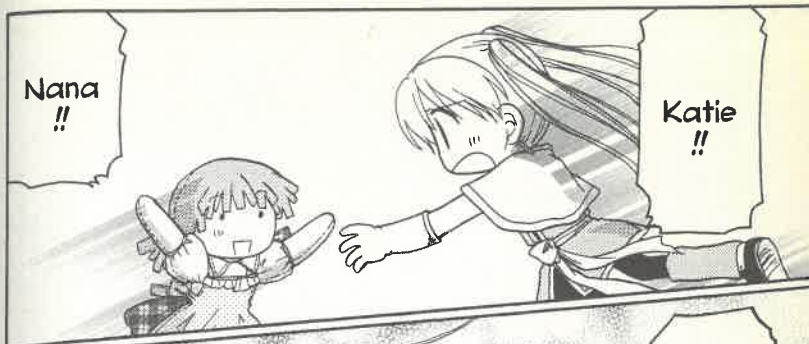

That is our true wish.

Nana  
!!

Katie  
!!

Nana!!  
I didn't  
think  
you'd  
come  
for me!

I'm so  
sorry!  
I'm  
sorry!!

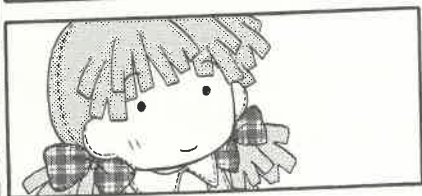

I'm  
sorry!!!

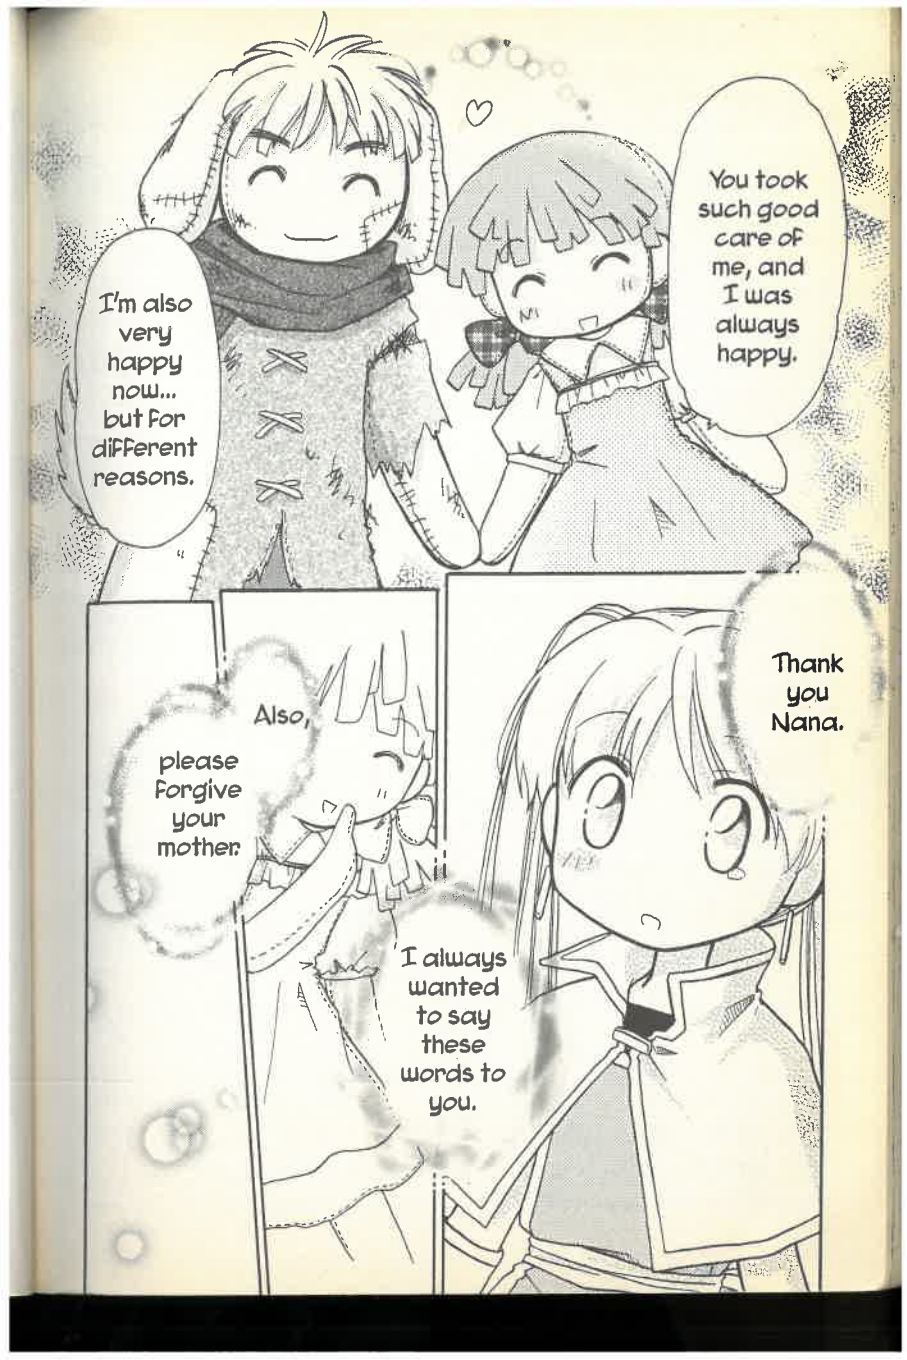

I'm so  
happy  
!!

I feel  
the  
same  
way!!

It's like  
a dream  
come true  
that I get  
to talk to  
you like  
this.

I'm also  
very  
happy  
now...  
but for  
different  
reasons.

You took  
such good  
care of  
me, and  
I was  
always  
happy.

Also,  
please  
forgive  
your  
mother.

I always  
wanted  
to say  
these  
words to  
you.

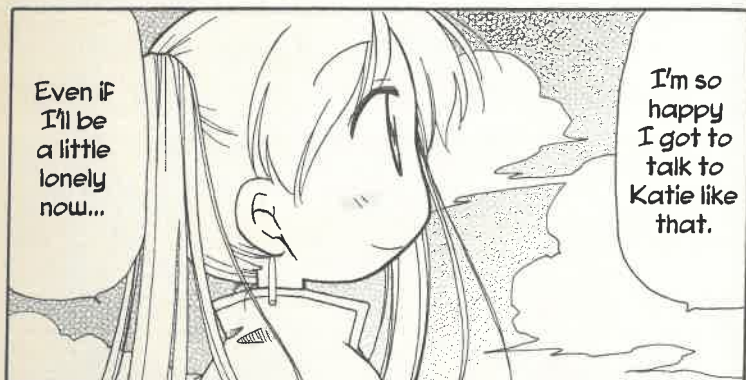

Thank  
you  
Nana.

You  
should  
Find a  
boyfriend  
too,  
Nana!

I  
wonder  
if we  
did the  
right  
thing...

I'm so  
happy  
I got to  
talk to  
Katie like  
that.

Oh my  
gosh!!

*Dear Nana,  
I'm so sorry  
I'm really bad  
at sewing, but  
I made you  
this doll.*

*Love, Mom*

Thanks,  
Mom!

We  
can't  
eat  
Food...

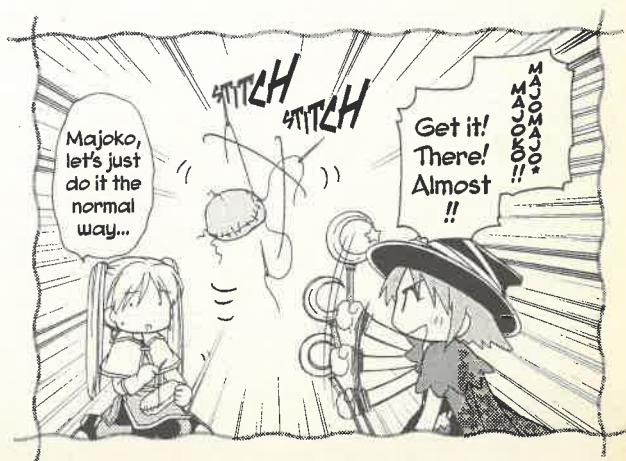

Here you  
go! Eat lots  
of Food to  
grow up nice  
and big!

*My  
house  
giving from*

I'm  
going  
to take  
good  
care of  
my toys,  
too!

# WHOOPS!

This is the **BACK**  
of the book!

The **Big Adventures of Majoko** is a comic book created in Japan, where comics are called **manga**. Manga is read from right-to-left, which is backwards from the normal books you know. This means that you will find the first page where you expect to find the last page! It also means that each page begins in the top right corner.

**Majoko and Nana** love traveling together to strange, new places. In this volume they visit memorable spots like the shiny **Land of Mirrors**, the **Land of Snowmen** and, best of all, the **Land of Toys!** Sometimes Nana isn't as brave as Majoko, but she can't help being pulled into Majoko's **big adventures!**
